

HOW TO HOST A GEAR GOALS DRIVE

BENEFITTING THE TAMPA BAY SUN FOUNDATION

Gear Goals Drives are simple to organize and a powerful way to make an impact. Whether you're a business, team, school, or community group, hosting a Gear Goals Drive is a meaningful way to support youth access to sport while rallying your network around a shared purpose.

Drives can take place at offices, gyms, schools, retail locations, community centers, car dealership showrooms, or local events: anywhere people can easily drop off items. You simply select a collection window and encourage your community to donate new or gently used sporting equipment like cleats, shin guards, balls, ball bags, and training gear. All donated items are collected and redistributed by the Tampa Bay Sun Foundation to ensure young athletes have the equipment they need to get out there and play. We'll help amplify your drive through our network to support your efforts and maximize your impact.

How It Works

- 1** Pick Your Date & Location

- 3** Collect Gear
Set up a visible collection bin or area

- 4** Schedule a Pick Up/Drop Off
